Rohitanshu Khilar

- +91 9692937101   rohitanshukhilar57@gmail.com   https://github.com/Tanshu24

EDUCATIONAL BACKGROUND

- B.Tech (CST) | Trident Academy of Technology   Bhubaneswar
  7.8   (2021-2025)
- 12th (CBSE) | SBD International School
  81.5%   Bhubaneswar
                                                                                                                              (2020-2021)

PROJECTS

Job Listing Website|

- Developed a full-featured job portal using **React.js**, **Supabase**, and **Clerk**
- Managed **real-time job postings** and retrieval using Supabase's live data sync
- Reduced user onboarding time by **30%** with optimized Clerk-based authentication
- Designed responsive UI using **Tailwind CSS**, improving engagement by **25%**
- Implemented secure session and access control for two user types (seekers & recruiters), handling over **100+ sessions**

Hotel Management System

- Built a full-stack PHP + MySQL web app for hotel room booking and admin control
- Integrated Stripe to handle 100+ secure payments with zero failure rate
- Created admin dashboard for managing 50+ rooms, user data, and booking logic
- Built an admin dashboard for managing rooms, users, and bookings
- Automated invoice generation using mPDF, cutting manual effort by 70%
- Developed AI-based trip recommendation engine using OpenTripMap for personalized user experiences

---
